Common Mistakes which may result in rejection/delay of your OCI application

1. Uploaded Photo/Signatures are not as per specifications.
2. **All** the documents provided with the application are not uploaded or uploaded under wrong category.
3. Passport Number/Date of issue of passport is incorrect.
4. Name/place of birth/Date of birth is incorrect.
5. Full names of parents/Spouse are not mentioned.
6. Marital status/Spouse name not mentioned.
7. Part –B of application not signed/Part-B (Minor Child) is not signed by any one of the parent.

Useful tips to make form filling easy and avoid mistakes

1. Fill all the details in the application very carefully and exactly as per documents.
Please ensure that all the details like full names, date of birth, place of birth are exactly as per current passport.
2. Scan documents in pdf with low dpi (200-300 dpi) to reduce file size. Various mobile phone apps can also be used to create multiple page pdf of documents easily.
3. Photo/signatures can be easily resized to requisite specifications/size by using photo editing option in mobile phones/Paint brush software in computers.
4. Upload all the supporting documents under their correct category/equivalent category. (e.g. OCI card can be uploaded under Indian Visa category and birth certificate can be uploaded under Relationship category)
5. Kindly check all the details of the OCI application once printed. In case photo/signature and documents are not uploaded properly, these can be done easily by selecting appropriate option (Re-upload image/upload/re-upload documents) available on the website.

Please note that the file reference number required to re-upload photo/signature/documents is written vertically on left side and also below the bar code at the bottom of first page of application from submitted online.

6. In case any information is wrong, please refill the form again.
